SPRING 1916 SPECIAL PRICE LIST

W. L. LUX

**Flower and Berry Plants, Fruit and Shade Trees,
Ornamental Shrubs, Bedding and
Garden Plants.**

Terms Cash.—All orders of \$1 or more delivered in Topeka free of charge.

Cut Flowers for all kinds of decorations, from April to November. My specialties are Peonies, Iris and Dahlias; also many others.

First Prize Canna and Dahlia Bulbs—13 for \$1, my selection. See general list for particulars.

Landscape Gardening and Planting a Specialty.—Ask about it.

Progressive Everbearing Strawberry and St. Regis Everbearing Red Raspberry, are two kinds of fruit that should be in every garden. No 1 strong plants delivered by parcel post in first to fourth zone for \$1.50 per 100, or 50 for \$1. These are the genuine kinds that can be depended upon—try some.

Standard Strawberry Plants.—All young, thrifty plants, at 40c per 100, parcel post. See general list.

Fifty Varieties of Peonies and Iris.—Also many other flower plants, vines, and shrubs. See general list.

Ornamental Hedges.—Privet, Amoor River North, 18 inch to 2 foot, \$2.50 per 100; 2 to 3 ft., \$3 a 100. California Privet, \$1.50 per 100 and up. Barberry, Thumbergi, 12 to 18 inch, 10c; 2 ft. and over, very bushy, 20c.

Spiraea Van Houtti (Pridal Wreath)—1 to 3 ft., 10c to 15c; extra large whole clumps, 3 to 4 ft., 25c.

Altheas (Rose of Sharon)—3 to 5 ft., very fine bushy shrubs, 10c to 25c.

A fine assortment of **Climbing Roses** and other hardy vines, 10c to 25c. Also Hybiscus, crimson eye, 10c to 25c.

Tomato and Cabbage Plants.—Nice potted early plants, 25c a doz. Plants from hot bed, 25c per 100, y varieties.

Sweet Potato Plants.—By parcel post, Yellow, 30c per 100; Red Bermuda and White Southern Queen, 35c per 100. The Red and White Kinds are best for heavy soils.

Asparagus Plants.—Large, 50c per 100; extra large, 1c each.

Fruit Trees.—I grow only a few of these myself, but buy my stock in large lots from the most reliable nurseries, mostly grown in the Kaw Valley. They have all been inspected and are fine thrifty trees of their respective grades and sizes. Prices are net, and are very reasonable for this high grade stock. I expect to carry the following varieties, and a few other kinds. In some varieties I have extra large 1 inch and up, 6 to 7 ft., at 5c extra. Order early before some kinds are all gone.

Apples.— $\frac{3}{4}$ in 4 to 6 ft. 15c, 10 for \$1.25; all different if you wish. Early Harvest, Yellow Transparent, Red June, Duchess, Sweet June, Bailey's Sweet, Golden Sweet, Maiden Blush, Chenango Strawberry, Grimes Golden, Jonathan, Spitzenberg, Rome Beauty, York Imperial, Winter Banana, Black Ben Davis, Ingram, Delicious, Winesap, Stayman's Winesap, Mammoth Black Twig and Florence Crab.

Apples.— $\frac{5}{8}$ inch, 4 to 5 ft., 10c each. Grimes Golden, Jonathan, Stayman's Winesap, and Yellow Transparent.

Peaches.—15c for extra large, 5 to 7 ft. I will carry only a few of this grade, as they are not so sure to grow as the smaller grade.

Peaches.— $\frac{5}{8}$ inch, 4 to 6 ft., 15c each, 10 for \$1. This is best size to plant. Mayflower, New Prolific, Carmen, Belle of Georgia, Champion, Elberta, Salway, Crosby, Chinese Cling, Indian Cling, Stinson's October.

Japan Dream.—(Extra Early and fine) 20c.

Hottel Elberta.—(The finest Elberta grown) 20c.

Cherries.— $\frac{3}{4}$ inch, 5 to 6 ft., 25c each, 10 for \$2. 3 to 4 ft., 15c, 10 for \$1.25. Varieties—Early Richmond, Montmorency, English Morello.

Plums.—5 to 6 ft., 20c; 3 to 5 ft., 15c. Burbank, Abundance, America, Lombard, and Damson.

Apricots.—5 ft. up, 25c; to 4 ft., 15c. Early Golden and Superb.

Pears.—Kieffer, the hardiest Pear for our climate. 6 to 7 ft., 15c; 4 to 5 ft., 10c, 10 for 75c. Barlett, Garber and Seckle, 5 to 7 ft., 25c, 10 for \$2.

Grapes.—Concord, 2 yr., 5c, \$3 per 100. 1 yr., \$2.50 per 100. Moore's Early and Niagara, 1 yr., 5c, \$3.50 per 100.

Shade Trees a Specialty—25c up to \$2.50. Elm, Poplar, Maple, Willow, Sycamore, Ash, etc.

CERTIFICATE OF NURSERY INSPECTION No. A584, issued to W. L. Lux, from Office of State Entomologist, University of Kansas, Lawrence, Oct. 9, 1915, by S. J. Hunter, State Entomologist.
